

DCP bluecrane FIRE EXTINGUISHERS

Bluecrane's range of stored pressure dry chemical powder extinguishers is suitable for A, B or C class fires or a combination of ABC class fires. All the extinguishers supplied conform to the minimum fire ratings as specified in SANS 1910:2009. Dry chemical powders have been developed over a period of thirty years and can be supplied as Alpha Dynaflo (SABS grade 3A/5B) an ultra-high performance product or in various grades down to our Alpha Megaflo 40% which carries a 2A/2B rating. The powders are siliconised for superior flow and anti-caking.
