

FIRE CABINETS (fibreglass & poly-ethylene)

Safequip's tailor-made fire cabinets are manufactured in-house by highly skilled artisans, using only SABS approved polyester resin and materials. Our range is benchmarked at the top of static asset protection and fire protection solutions. Safety equipment in fire fighting is of the utmost importance to us, and our fire cabinets are in high demand right across Africa. ***Available in special colours on request.**

SABS approved polyester resin and materials.
